Personal licence info

You must be 18 years or older to obtain a personal licence

On this course you will also learn what a PREMISES LICENCE is and how they can work in conjunction with a personal licence

On this course you will also learn about TEMPORARY EVENT NOTICES and how to use them

What is a Personal licence?

Personal licence Is an authorization granted by the local authority where you live to allow you to sell or authorize the sale of alcohol. Not long ago if you were granted a personal licence you would need to renew it after ten years that requirement is no longer in effect.

In order to obtain a personal licence you would need to pass a one-day course and have no unspent relevant recent convictions

If you would like to obtain a personal licence book a course with us
