Weapons Facts UK

22% rise in knife crime figures in London in 2016

First period of 2017 England & Wales sees a 13-14% increase in gun & knife crime

In the first part of 2017 more than 2500 weapons were seized from schools in England & Wales.

In 2015/ 2016, there were 28,859 offences involving a sharp instrument, in England and Wales.

What type of weapons?

Weapons Absolutely almost anything can be used as a weapon from a gun to a knife to a biro pen. However, there is a lot of news around about edged weapons and the effects they are having on people's lives when used. Whether you work in security a school or any other type of customer facing role you will want to know more about what kind of weapons there are around, how they can be adapted, concealed and the devastating effects on the body if they are used.

As well as all of the above it is beneficial to know what the law says, what your rights are with regards to searching, how to search and how to use search equipment if required.

If you would like to learn more about weapons and their effects book a course with us
